

## Use of Sport Premium Funding 2020-21

At Ivydale Primary School we promote a sporting culture that enables and encourages all children to play and enjoy sport. We provide 15 hours a week of high-quality specialist PE teaching. We provide weekly swimming lessons, mainly for Year 4 with Year 6 receiving a 'top-up' half term of lessons. We aim for all children to be able to swim 25m by the end of Year 6, use a range of strokes effectively and perform safe self-rescue. Swimming lessons have not been possible since the end of March 2020 due to Covid-19 and as such we are not able to report on Year 6 achievement in swimming for July 2020.

Having our own sports coach has provided consistency between lunchtime coaching, enrichment activities and class PE. It has also ensured more children are identified for wider sporting opportunities and encouraged to participate in competitions and fixtures and teaching staff are trained and confident to deliver more stimulating and challenging PE lessons. We have plans to gradually reintroduce Covid-19 secure events in advance of external fixtures and competitions resuming. Our MUGA facility at Inverton enables us to hold internal championships as well as host competitions and fixtures.

We have a tradition of established a large number of after-school and lunchtime clubs for our pupils offering a wide variety of sporting opportunities. We are aiming to restart Covid-secure clubs for some year groups in January 2021. Pupil participation in sporting activity remains high. All classes receive a minimum of 2 hours of PE per week and an increasing number of pupils participated in extra-curricular sporting activity.

The OPAL project [www.outdoorplayandlearning.org.uk](http://www.outdoorplayandlearning.org.uk) has been extended to Phase 2 and EYFS playgrounds and will continue to grow and develop this year.

In 2019-20 we introduced the Daily Mile.

The Government provides funding of £150 million per annum to improve the provision of physical education and sport in primary schools. Schools have the freedom to choose how to do this. In 2020-21 we anticipate that we will receive approximately £20,000. This is in addition to the money we allocate to sport and PE from the school budget.

The following table shows how we intend to spend the 2020/21 sport premium funding:-

<i>Outcome</i>	<i>Action</i>	<i>Success criteria</i>	<i>Impact review (July 2021)</i>
<b>Physical activity for all</b>			
Engagement of all pupils in regular physical activity - kickstarting healthy, active lifestyles	Lunchtime sports coach daily  OPAL to continue in Phase 1, Phase 2 and EYFS playgrounds  Embed daily mile	Increased participation in physical activity which will have a positive impact on general fitness and on concentration in the classroom	
<b>Quality PE provision for all</b>			
Increased confidence, knowledge and skills of all staff in teaching PE and sport          Improved monitoring and assessment in PE	Investment in the London PE and School Sport Network ( <a href="http://lpessn.org.uk">http://lpessn.org.uk</a> ) offer  CPD for staff    Assessment in line with other foundation subjects	Access to a range of LPESN resources, lesson plans to ensure high quality lessons.  Professional development for staff will lead to improved teaching and learning in PE  Monitoring progress will ensure lessons and strategies are having desired impact	
<b>Improved sporting profile for all</b>			
Increased participation in competitive sport    Broad experience of a range of sports and activities offered to all pupils	Investment in the London PE and School Sport Network (LPESN) offer  Reintroduce a range of Covid secure extra-curricular clubs led by external coaches and in-house coach  Signpost children to local clubs and activities	Participation in competition and activities will help to promote lifelong love of physical activity
