

Impact of Sport Premium Funding 2023-24

At Ivydale Primary School we promote a sporting culture that enables and encourages all children to play and enjoy sport. We provide 2 hours per week of high-quality PE lessons for each class. We also provide weekly swimming lessons, mainly for year four. Year 6 receive a ‘top-up’ half term of lessons. We aim for all children to be able to swim 25m by the end of Year 6, use a range of strokes effectively and perform safe self-rescue.

| Meeting National Curriculum Requirements for Swimming and Water Safety | |
|----------------------------------------------------------------------------------|----|
| % of Year 6 who can swim 25m competently, confidently and proficiently | 89 |
| % of Year 6 who can use a range of strokes effectively | 89 |
| % of Year 6 who can perform safe self-rescue in different water-based situations | 85 |

The Government provides funding to improve provision of physical education and sport in primary schools. Schools have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how to do this.

In 2023-24 we received £19,850. In 2024-25 we anticipate that we will receive approximately £19,000 in primary sport premium. This is in addition to the money we allocate to sport and PE from the school budget.

The following table shows how we spent the 2023/24 sport premium funding:-

| Physical activity for all | | | |
|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>Desired outcome</i> | <i>Chosen action/approach and cost</i> | <i>What will be the projected impact?</i> | <i>Impact review (July 2024)</i> |
| Engagement of all pupils in regular physical activity - kickstarting healthy, active lifestyles | £8,350 OPAL to continue in EYFS, Phase 1 and Phase 2 playgrounds Continue daily mile | Increased participation in physical activity which will have a positive impact on general fitness and on concentration in the classroom | OPAL is embedded in all phase groups and playgrounds. We hold an OPAL platinum award and regularly host visiting schools and training sessions. Children have access to a wide range of play opportunities and we support other schools in developing their play provision. |
| Quality PE provision for all | | | |
| <i>Desired outcome</i> | <i>Chosen action/approach</i> | <i>What will be the projected impact?</i> | <i>Impact review (July 2024)</i> |
| Increased confidence, knowledge and skills of all staff in | £5,500 Investment in the London PE and School Sport Network | Access to a range of LPESSN resources, lesson plans to ensure high quality lessons. | Membership of the London PE and sport Network ensures children are identified for wider sporting opportunities and are encouraged to participate in competitions and fixtures and teaching staff are |

| teaching PE and sport | http://lpesn.org.uk) offer CPD for staff, with a focus on SEND staff and ECTs | Professional development for staff will lead to improved teaching and learning in PE | trained and confident to deliver more stimulating and challenging PE lessons. We took part in 10 competitions and fixtures with other schools over the year, with approximately 280 children taking part, as well as internal competitions within the school and children competing against their own personal best. |
| Improved monitoring and assessment in PE | Assessment in line with other foundation subjects | Monitoring progress will ensure lessons and strategies are having desired impact | |
| Improved sporting profile for all | | | |
| <i>Desired outcome</i> | <i>Chosen action/approach</i> | <i>What will be the projected impact?</i> | <i>Impact review (July 2025)</i> |
| Increased participation in competitive sport Broad experience of a range of sports and activities offered to all pupils | £6000 Investment in the London PE and School Sport Network (LPESN) offer Host girls football festival and further opportunities for inter school competitions Cricket coaching for Y3, Y4, Y5 and Y2 autumn term. Wide range of extra-curricular clubs led by external coaches and in-house coach Signpost children to local clubs and activities | Participation in competition and activities will help to promote lifelong love of physical activity | We have established a large number of after-school and lunchtime clubs for our pupils offering a wide variety of sporting opportunities. We enter numerous school sporting competitions to allow children to be competitive, and with our MUGA facility at the Inverton site we have been able to hold internal championships and host competitions and fixtures against other local schools in football and netball. Pupil participation in sporting activity remains high. All classes receive a minimum of 2 hours of PE per week and an increasing number of pupils participated in extra-curricular sporting activity. Each term there is an average of 20 sports clubs before and after school; in the autumn term 280 children were signed up for a weekly sports club. Physical activity for the whole family is promoted through the annual PTA fun run which last year included around 180 families and the annual Sports Days at Peckham Rye Park. |
